INFORMATION MISSING ON PAIR

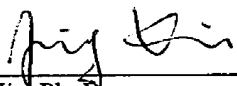

Sir:

The above-referenced application has been allowed. However, a further review of its filing history revealed that there is an IDS filing entry that is missing from the file history contents on the PAIR system.

We filed an IDS with 11 references on November 13, 2002. We later received the confirmation of this filing with a PTO Tech Center stamp of November 20, 2002. The examiner's signature was also on the confirmation page with a consideration date of June 12, 2003.

Enclosed please find a copy of original IDS filing (4 pages) and confirmation received from PTO (2 pages).

Respectfully submitted for Applicants,
